CY2020 Activities of the Multi-Partite Monitoring Teams

The PRA through the Environmental Management Department (ENV) actively and fully participated in activities of established Multi-Partite Monitoring Teams (MMTs) where PRA is a regular member, specifically for reclamation projects, infrastructure projects with reclamation and infrastructure projects within reclaimed lands. The MMTs are mandated to monitor compliance by the project proponents of the conditions under the Environmental Compliance Certificate (ECC) and other applicable environmental laws and issuances.

In 2020, some actual measuring activities were limited because of the restrictions imposed due to COVID-19 pandemic. The following are the Project MMT activities attended by PRA as a regular member in 2020:

- Semirara Coal Mine, Caluya, Antique (5 - 6 November 2020) – MMT virtual meeting for the 1st, 2nd and 3rd Quarters of 2020
- Energy World Liquefied Natural Gas Terminal and Storage Facility and Power Plant – (24 January and 10 December 2020) - Technical Working Group meeting for the Finalization of the 2nd Semester 2019 (July-December) CMVR and online meeting for the preparation of the 2021 AWWP
- JGSummit MMT Meeting (30 September and 21 December 2020) – MMT meeting and CMVR validation for 1st Semester 2020 (January-June) and Sectoral Wrap-Up and Execom Meeting for CMVR validation for 2nd Semester 2020 (July-December). Activities were limited due to lockdown and scheduled plant shutdown.
- LRTA Extension Project (22 January, 08 July and 09 December 2020) – 1st, 3rd and 4th Qtr MMT meetings
