Agra, Alberto C.	FIDIC Contract Seminar	This seminar offers an overview and deeper understanding of the FIDIC Suite of Construction Contracts. Each of the different FIDIC books will be discussed and different analyses will focus on the most appropriate type of contract for different types of projects. During the course, the FIDIC Red book will be most closely analyzed. The seminar will also discuss dispute resolution clauses in FIDIC contracts. The seminar will conclude with an interactive FIDIC contract negotiation.	International Law Institute	on-line
Esteban, Dioscoro E. Sevilla, Ulysses T.	Project Preparation to Bridge the Infrastructure Gap	The course on Project Preparation to Bridge the Infrastructure Gap provides the participants with the tools and techniques to review proposed infrastructure projects and assess the potential for such projects being implemented with private participation, through the most appropriate form of public-private partnership (PPP). Specific tools will be made available to the participants to carry out economic, financial and risk analysis of proposed projects in all infrastructure sectors.	International Law Institute	on-line
Rubiato, Janilo E.	Understanding, Drafting and Negotiating Contracts	This seminar follows an integrated approach by focusing on enhancing expertise in drafting contracts and strengthening negotiation skills. To emphasize practical learning, the seminar provides opportunities to engage in various drafting and negotiation exercises, developed by experts in the field. This seminar is designed for both lawyers who will be drafting and negotiating contracts for their clients and for officials who will be negotiating, drafting, and implementing contracts. Bathan, Nolasco B.	Corporate Governance Orientation Program for GOCCs	Aims to provide participants with a fundamental and essential appreciation of the benefits and impact of modern corporate governance best practices. The subject matter is framed within local reforms and how these relate and respond to regional and global trends.	Institute of Corporate Directors	on-line
Esteban, Dioscoro E. Lactao, Oscar T. Rubiato, Janilo E. Sevilla, Ulysses T.	Public Private Partnerships and Infrastructure Finance (For Lawyers)	This course is designed specifically for lawyers to teach what they need to know about PPP design, agreements, and pitfalls in PPP. Topics covered include negotiating, drafting and implementing Public-Private Partnership agreements, as well as renegotiating agreements and alternative dispute resolution options, including investor-state arbitration.	International Law Institute	on-line
Rubiato, Janilo E.	Fundamentals of Investor-State Arbitration	This course teaches lawyers, and other professionals, such as international investors (whether companies or individuals), as well as government officials about bilateral investment treaties (BITs) and investment chapters of free trade agreements, and how to work with them to resolve international disputes, including the valuation of damages and enforcement of arbitral awards. The use of BITs has exploded in recent years, with almost 3,000 such treaties in effect. This course provides the participants with an in-depth understanding of the fundamental principles applied in Investor-State arbitration.	International Law Institute	on-line
