## CY2021 Activities of the Multi-Partite Monitoring Teams

The PRA, through the Environmental Management Department (ENV), actively and fully participates in activities of Multi-Partite Monitoring Teams (MMTs) where PRA is a regular member, specifically for reclamation projects, infrastructure projects with reclamation, and infrastructure projects within reclaimed lands. The MMTs are mandated to monitor compliance by the project proponents of the conditions under the Environmental Compliance Certificate (ECC) and other applicable environmental laws and issuances.

In CY 2021, to ensure that reclamation projects shall be undertaken in an environmentally sustainable manner consistent with public interest, the ENV actively participated as resource person and regular member of the MMTs for the following projects and activities:
